------------------	--------------------

Principal News

Week 5, we have come to the half way point of our term. Remember with the cooler mornings please send students in warm clothes but also, please remember the days are warm, so we will need to change out of these warm clothes and items need to be named so they can find their way home to you.

If you are looking for a jumper QKR! has some available if there is none in your size please speak to you P&C executives. In the meantime, any plain black jumper is allowed.

Please keep your good colourful jumpers and jackets (puffer jacket) at home safe.

Remember, odd weeks will be newsletter weeks and parades are even weeks.

Student Wellbeing

https://families.org.au/article/age-appropriate-chores/?gclid=EAlaQobChMlr9zS3vD4_glVhGCLCh3U_wZQEAAAYASAAEqLFCfD_BwE

Age Appropriate Chores

What chores are important for your children to learn, and what are they capable of doing?

First, recognise the difference between a chore (an ongoing task that benefits the household) and a life skill (an activity that children should know how to do before living on their own, such as managing a bank account). The following list does not include life skills. It is a list of chores.

Second, remember that every child matures at a different pace. Adjust this chart to what you know about your children's skills and talents, and realise that no child should do all of the chores listed below every day.

With those two qualifiers in mind, here are some general guidelines for personal and family chores. This list is only meant as a guide and reflects the types of chores that many children in these age ranges are capable of completing

Healthy Eats Tip of the Week!

Did you know...?

Children often need to be exposed to a new food 10-15 times before they will eat it. Not trusting new foods and flavours is very common amongst kids.

Don't give up and don't give in! Just keep serving up your new dishes and flavours and they'll be demolishing it in no time.

lifeeducationhub.com.au

Please remember we would like all students to have healthy choices in their lunches.

Processed foods are a treat to enjoy after a healthy carbohydrate (sandwich or spaghetti or wrap)

Office News

Melinda Morrison is available in the office Mon – Wed – Fri. Please come in and say hi to Mel.

Seniors at Radio

Sending thanks to Gav from Tiara Community Radio 107.1fm. With Gav's continued support we have bounced back. Each fortnight 3/4 and 5/6 share the opportunity to speak on-air and learn new information about radio

3/4 learnt about morse code and got to take information home to practice sending messages with it.

5/6 listened to some recordings of a pilot radioing into the airport as well as another radio station talking to an astronaut on the space station.

TIARO STATE SCHOOL PBL JOURNEY

PBL Shop

Tuesday & Thursday 1:45pm

Wellness Wednesday

We encourage parents, friends and families to come and join us on this day.

Fortnightly Focus

Every fortnight starting on a Monday we introduce a new fortnightly focus. We use the focus to help the students to be conscious of certain behaviours in order to improve them. We use the fortnight to talk about the focus and the importance of following the focus. The focus this fortnight is:

Fortnightly Parade

Fortnightly parade is held in week 6 & 8 on Friday at 2:30pm. It is during these parades that students are presented with academic certificates. Families of our PBL champions will be emailed prior to the parade notifying you when your child will be receiving a certificate.

Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across a school and helps schools develop safe and supportive learning environments.

Our school expectations:

- Be Safe
- Be Responsible
- Be Respectful

The PBL framework supports schools to become trauma-informed by increasing awareness of the effects of trauma on students' learning, wellbeing and behaviour, including attendance, engagement, relationships with others, academic achievement and behaviour. This awareness includes being mindful of avoiding re-traumatisation and looking beyond the immediate or 'surface' behaviours. The staff at Tiaro State School are trained on Trauma Informed Practises. This allows us to know what to look for with students that may have experienced trauma in their lives.

PLD LESSONS

Term 2 saw the implementation of our new school wide Promoting Literacy Development (PLD) program. PLD is dedicated to Promoting Literacy Development through our resources which deliver outcomes across 3 core areas: Literacy, Oral Language and Movement & Motor.

CLASS NEWS

Tiaro Tiger Cubs

Welcome all families from Tiaro Tiger Cubs, With cold weather approaching we will move playgroup up to the kindergarten room.

Playgroup will not be running on 23rd of May and 6th of June. This means that we only have 3 weeks of playgroup left this term.

We have some fun days planned for the rest of the term. I look forward to seeing you at the next playgroup

I look forward to seeing you all at Tiaro Tiger Cubs

Peter Friend
Teacher

Junior Room News

Families, thank you for the support that you've shown me so far in the time that I've spent with Prep/1/2. The class has settled in well to having a new teacher, and it's very much business as usual. We have a big week ahead with WOW day on Wednesday and Under 8's day on Friday, and next weeks excursion to the Fraser Coast Show is sure to be great fun. Please make sure that students are returning their homework folders every week.

Mr Scott Barker
P-2 Teacher

3/4 Room

Can you believe that we are half way through the term already?

The 3/4's have separated from the 5/6's to create their own class. We have continued to learn persuasive writing skills and have been looking at letters to the editor and talking about how language that the writer is conveying in the letter. In Maths the students have been learning about the concept of time and how to read an analogue clock. Every day we are seeing students develop their knowledge even further. Please also remember to bring jumpers as it is starting to get very cold very quick!

Mr Peter Friend & Rhiannon Gane
3/4 Teacher

5/6 Room

We are already half way through the term and flying through our learning. 5/6 students have been settling in to being separated from the 3/4s very well. They are in their final stages of learning before they start creating their persuasive feature articles. They will cover rhetorical questions before we discuss their assessment in depth and they start working.

In maths, students are finishing their number learning and moving on to time. They will be learning how to read and write 24-hour time. They will then use this knowledge to understand timetables and be able to plan trips using this knowledge.

Students are making great progress in their learning. There is also a lot of fun events coming up so we are looking forward to an exciting end to Term 2!

Miss Nicole Jorgensen & Ms Rhiannon Gane
3-6 Teacher

Health, safety and wellbeing

We are committed to the health, safety and wellbeing of our employees, students and anyone else involved with our school.

Creating safe and healthy schools and workplaces doesn't just happen. When everyone comes together to improve staff health, safety and wellbeing, there is commitment and active involvement of every person within the school.

ATTENTION - EARLY ARRIVALS

ALL STUDENTS SHOULD NOT ARRIVE BEFORE 8:45AM

Please be aware that there are **NO staff members on general duty before 8:45 am.** We have more students arriving before this time. If there is a legitimate reason for students to be at school before 8:45am, then contact the office to make arrangements. These students must then follow the rules by sitting quietly outside the senior room with the bus arrivals.

**Sun Safety**

Note: sun-safe hats are the preferred hat option. CAPS are not permitted to be used. Tiaro State School supplies SPF 30 or higher broad-spectrum, water-resistant sunscreen for students to use.

If your aware of it take care of it

What does this mean?

If you notice anything in the school that may be Workplace Health & Safety related please let a staff member know immediately so that we can take care of it to keep our

Community, staff and students safe. Early detection means early prevention.

Flu Season

Flu season is approaching. Stay home if your child/children are feeling unwell. Also remember to get your flue shot.

Smoking and e-cigarettes

It's important to remember, the department has a total ban on smoking on and around all departmental premises to comply with tobacco laws. The ban affects all schools, school grounds, outdoor education centres, regional and district offices and central office buildings.

Wellbeing

There are different types of wellbeing and at Tiaro we strive to look after everyone at school as well as our families. Things to be aware of are the following:

Physical wellbeing, Psychological wellbeing, Social and community wellbeing, Occupation wellbeing and Financial/personal wellbeing.

Andrea Ebert

WH&S representative

2023 Student Council

This fortnights PBL focus will be:

Be ready for learning

This Terms fundraiser has started with a cup of tropical cordial for \$2 every Wednesday.

Camp – camp is all ready to go we just need to make sure you are still making those payments via the payment plan on QKR. Thank you to all the parents that have already started their payment plans. Please note there are still some students that need to return some medical or dietary forms. If you are unsure on if you need to return any paperwork or payments then please do not hesitate to ask Mrs Ebert
