Principal News

Week 3, cooler mornings have arrived. First congratulations to the students on being organised with jumpers for school. Please remember the days are warm, so items need to be named so they can find their way home to you.

If you are looking for a jumper QKR! has some available if there is none in your size please speak to you P&C executives. In the meantime, any plain black jumper is allowed.

Please keep your good colourful jumpers and jackets (puffer jacket) at home safe.

Remember, odd weeks will be newsletter weeks and parades are even weeks.

Student Wellbeing

Student wellbeing can be broadly defined as a student's overall development and quality of life. Wellbeing is a holistic term that encompasses all aspects of a student's life, including their physical, social, mental and emotional state.

A student's wellbeing can change from day to day, month to month and year to year. It is affected by changes happening inside their bodies and in the world around them.

Wellbeing does not mean students feel good all the time.

Emotions such as sadness, fear, anger and frustration are all normal human experiences, and actually help them to

learn, grow, stay safe and build meaningful connections with others.

Wellbeing means they have the capacity, skills and resources to cope with these emotions in a way that is positive and constructive for their development

Office News

Melinda Morrison is available in the office Mon – Wed – Fri. Please come in and say hi to Mel.

Seniors at Radio

Sending thanks to Gav from Tiaro Community Radio 107.1fm. With Gav's continued support we have bounced back. Each fortnight 3/4 and 5/6 share the opportunity to speak on-air and learn new information about radio

3/4 learnt about morse code and got to take information home to practice sending messages with it.

5/6 listened to some recordings of a pilot radioing into the airport as well as another radio station talking to an astronaut on the space station.

Anzac Day

Thank you to all the families that came and supported ANZAC Day 2023.

We had a big group of students attend and feedback was very positive from community.

Wellness Wednesday

We encourage parents, friends and families to come and join us on this day.

Fortnightly Focus

Every fortnight starting on a Monday we introduce a new fortnightly focus. We use the focus to help the students to be conscious of certain behaviours in order to improve them. We use the fortnight to talk about the focus and the importance of following the focus. The focus this fortnight is:

Fortnightly Parade

Fortnightly parade is held in week 4, 6 & 8 on Friday at 2:30pm. It is during these parades that students are presented with academic certificates. Families of our PBL champions will be emailed prior to the parade notifying you when your child will be receiving a certificate.

Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across a school and helps schools develop safe and supportive learning environments.

Our school expectations:

- Be Safe
- Be Responsible
- Be Respectful

The PBL framework supports schools to become trauma-informed by increasing awareness of the effects of trauma on students' learning, wellbeing and behaviour, including attendance, engagement, relationships with others, academic achievement and behaviour. This awareness includes being mindful of avoiding re-traumatisation and looking beyond the immediate or 'surface' behaviours. The staff at Tiaro State School are trained on Trauma Informed Practises. This allows us to know what to look for with students that may have experienced trauma in their lives.

FIRST AID LESSONS

We would like to welcome our special First Aid professional Fred to our school.

Fred comes out to Tiaro Thursday and Fridays to teach the students first aid.

The students have been really enjoying having Fred around to learn these important life skills.

CLASS NEWS

Tiaro Tiger Cubs

Welcome Tiaro Tiger Cubs,

We have had a great start to the term 2 filled with a whole lot of fun. Our play group mis having a little change our Tuesday play group will run as normal, but the Wednesday play group will not be running any more.

This week we had a great play group where the children played together and we made our own paper plate parrot which the children were very enthusiastic I'm making their parrots.

I look forward to seeing you all at Tiaro Tiger Cubs

Health, safety and wellbeing

We are committed to the health, safety and wellbeing of our employees, students and anyone else involved with our school.

Creating safe and healthy schools and workplaces doesn't just happen. When everyone comes together to improve staff health, safety and wellbeing, there is commitment and active involvement of every person within the school.

ATTENTION - EARLY ARRIVALS**ALL STUDENTS SHOULD NOT ARRIVE BEFORE 8:45AM**

Please be aware that there are **NO staff members on general duty before 8:45 am.** We have more students arriving before this time. If there is a legitimate reason for students to be at school before 8:45am, then contact the office to make arrangements. These students must then follow the rules by sitting quietly outside the senior room with the bus arrivals.

**Sun Safety**

Note: sun-safe hats are the preferred hat option. CAPS are not permitted to be used. Tiaro State School supplies SPF 30 or higher broad-spectrum, water-resistant sunscreen for students to use.

If your aware of it take care of it

What does this mean?

If you notice anything in the school that may be Workplace Health & Safety related please let a staff member know immediately so that we can take care of it to keep our

Community, staff and students safe. Early detection means early prevention.

Flu Season

Flu season is approaching. Stay home if your child/children are feeling unwell. Also remember to get your flue shot.

Wellbeing

There are different types of wellbeing and at Tiaro we strive to look after everyone at school as well as our families. Things to be aware of are the following:

Physical wellbeing, Psychological wellbeing, Social and community wellbeing, Occupation wellbeing and Financial/personal wellbeing.
