From the Principal’s Desk
Welcome back to Term 2. I hope the holidays were both restful and enjoyable for you and your families. We are all looking forward to some very big events both within the school and the community this term.

I feel honoured and fortunate to have the opportunity of being appointed as the Principal of Tiaro State School and, along with the dedicated teaching staff, am committed to the focus of every child achieving. Parents and teachers working together, focused on the best outcomes for each individual student, will provide the best opportunity for the greatest outcomes for all.

I am looking forward to the excitement of this term and many more to come.

Term 2 has a change to TIARO time...Students are now coming together as a group on Friday afternoons to complete different activities. In week 1 they participated in a class jigsaw. This week our focus will be on ANZAC.

Quote of the Week
Alone we are smart. Together we are brilliant.

SWIMMING LESSONS
School swimming lessons will be conducted over 2 days, the 23rd and 25th May. The whole school will be involved in this and the cost will be $25 per child. Thank you to the P & C for covering the cost of the bus and helping to reduce the total costs.

ANZAC DAY
Tiaro State School will once again be showing our community pride by marching as a school at the Dawn Service. We will meet at the Tiaro Memorial Hall at 5.45am ready for a 6am start. We ask that students wear their school uniform. They will be singing the Australian and New Zealand National Anthem.

NAPLAN
With the approach of the test, our year 3 and 5 students need to have their regular sleeping and eating routines. The P & C have organised breakfast for those students & fruit cups. Thank you to all the P & C committee members.

Back Cover Story Headline

Use paragraphs often. A wall of white text makes it hard for the reader to skim a story and find a way to quickly drop in and out of your content. White space gives the user an opening into your information. Don’t be afraid to leave spaces open.

You might also designate a consistent spot on the page for lighter, or more editorial content. That way the reader always knows where to look for a certain type of content.

Most successful publications include a mix of content types to satisfy a wide range of tastes. Consider putting your most serious content on the front page, and your lighter content inside.

It’s called a story for a reason

Integrate frequent headlines to announce different sections of your story. Consider writing your content in a personal tone, in the same way you might talk to someone sitting across from you at a restaurant.
