

Tiario State School

150 Years Celebrations

Sponsorship Proposal

On the 31st October, 2020 Tiario State School will be celebrating 150 Years of Education and Learning. This is a huge milestone for such a small school. Tiario State School is the oldest school in the Tiario district.

We anticipate that this day will be filled with gathering of past staff, students and families that have been associated with the school from either through attendance, employment or previous family members.

There will be memorabilia, photos, souvenirs, live entertainment and a large variety of things to see and do on the day.

We would like to offer your company the following sponsorship option:
